Dealer Comments

This vehicle won't be on the lot long! Both practical and stylish! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. Ford prioritized fit and finish as evidenced by: adjustable pedals, a trailer hitch, and the power moon roof opens up the cabin to the natural environment. Under the hood you'll find a 6 cylinder engine with more than 300 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Four wheel drive allows you to go places you've only imagined. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
